You know DuPont™ Corian® ... Right?

Homeowners have been choosing Corian® for over 45 years, because:

- Corian® has a warm, silky feel that is inviting to the touch.
- Corian® has a smooth, nonporous surface that resists staining from even the toughest food and household products, making cleanup a breeze!
- Corian® countertops are created seamlessly to fit any kitchen or bathroom; and when you choose a worry-free Corian® sink there is no sink lip, overhang or crevices to catch crumbs or trap germs.
- Corian® countertops are backed by a 10-Year Limited Installed Warranty for your peace of mind.

The NEW Corian® Private Collection is NOT the same Corian® you've always known. It still offers the same proven performance, but now...
